Dear Valued Customer,

Thank you for your support and business this year!

Enclosed are 69 new binder pages for your Sunpan binder and our new 2009 price list.

This new price list will take effect **January 1, 2009** so it is really important that it is reviewed carefully as many prices have changed. We highly recommend disposing of any old price lists to avoid any confusion.

At Sunpan we believe it is important to keep our furniture line new and exciting each season. As business becomes more challenging it is more important than ever to introduce new items to market more often.

Please follow the **New Arrivals Binder Update Instructions** when adding your new binder pages and removing the old pages.

It is always a good idea to check our online live inventory before placing an order, or to call us regarding items that have limited stock and will eventually be discontinued. If you have not registered for our live inventory, please do so at [www.sunpanimports.com](http://www.sunpanimports.com). Also check the events section of our website for information on all our trade shows for the first half of 2009.

Wishing you happiness and prosperity in the New Year.

Sincerely Yours,

Your partners at SUNPAN
