Dear Valued Customer,

Thank you for your support and business this year!

Enclosed are 58 new binder pages for your Sunpan binder and our most up to date 2009 price list.

At Sunpan we believe it is important to keep our furniture line new and exciting each season. As business becomes more challenging it is more important than ever to introduce new items to market more often.

Please follow the **New Arrivals Binder Update Instructions** when adding your new binder pages and removing the old pages.

It is always a good idea to check our online live inventory before placing an order, or to call us regarding items that have limited stock and will eventually be discontinued. If you have not registered for our live inventory, please do so at www.sunpanimports.com. Also check the events section of our website for information on all our trade shows for the second half of 2009.

Sincerely Yours,

Your partners at SUNPAN
